

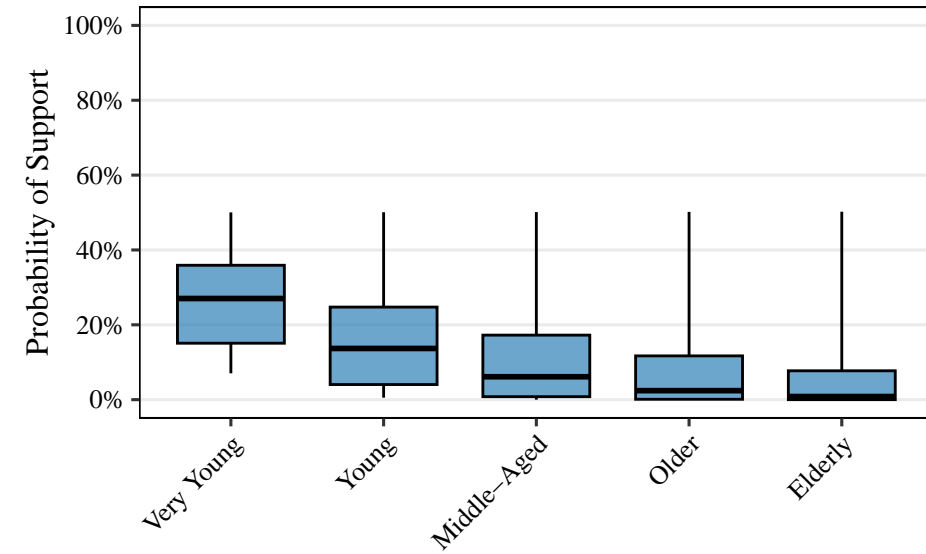

**Figure 1 : Predictors of Militia Support**

**A**

**Age**

Effect on Militia Support Probability

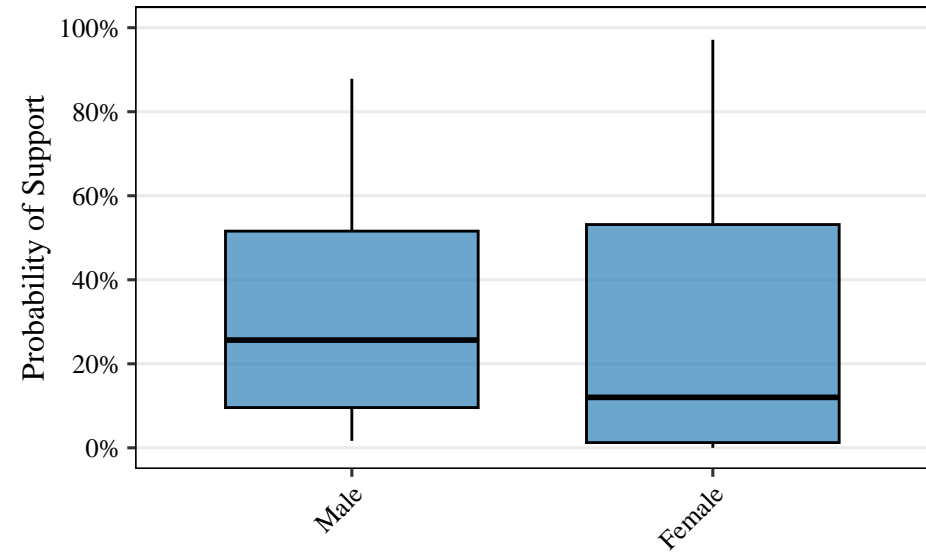

Note: Boxes show 50% credible intervals; whiskers show 95% credible intervals.

**B**

**Gender**

Effect on Militia Support Probability

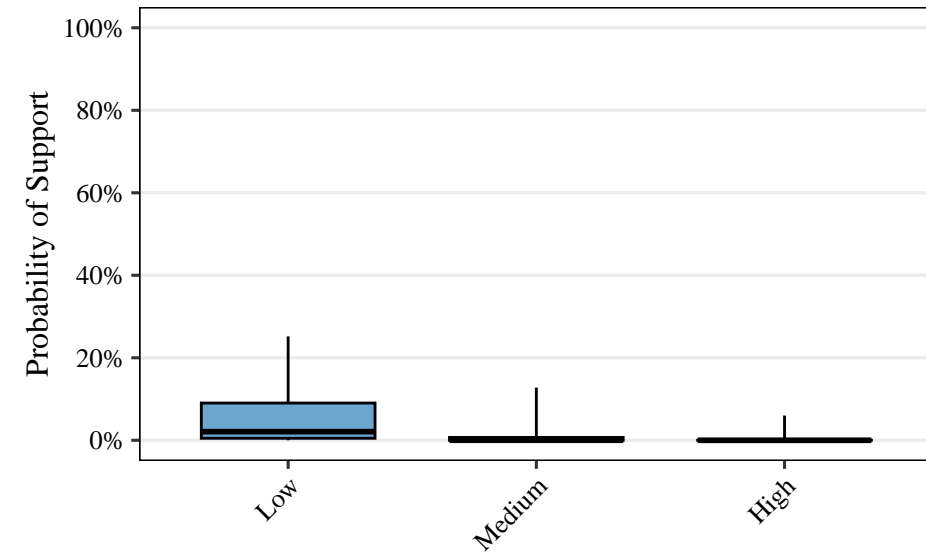

Note: Boxes show 50% credible intervals; whiskers show 95% credible intervals.

**C**

**Education Level**

Effect on Militia Support Probability

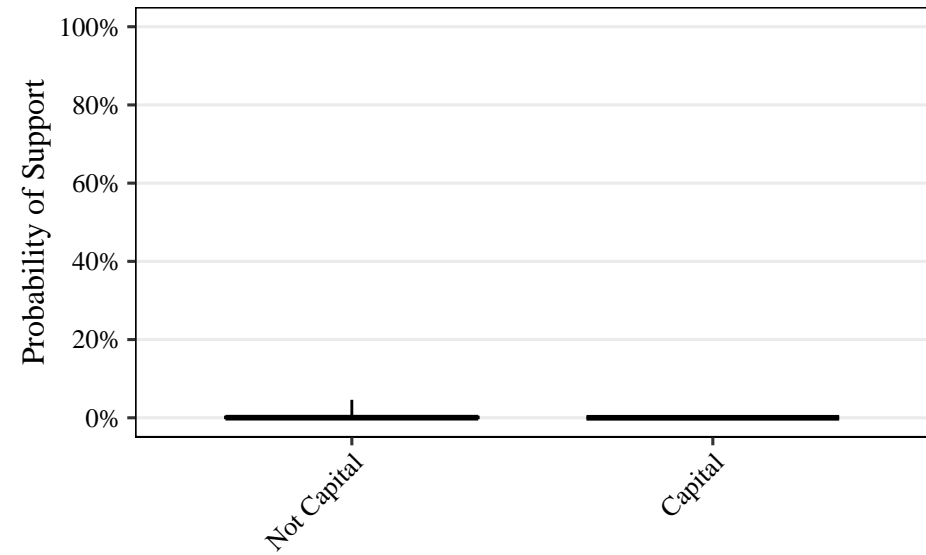

Note: Boxes show 50% credible intervals; whiskers show 95% credible intervals.

**D**

**Capital Resident**

Effect on Militia Support Probability

Note: Boxes show 50% credible intervals; whiskers show 95% credible intervals.

*Note: Estimates show predicted probability of militia support across levels of each variable.*
