

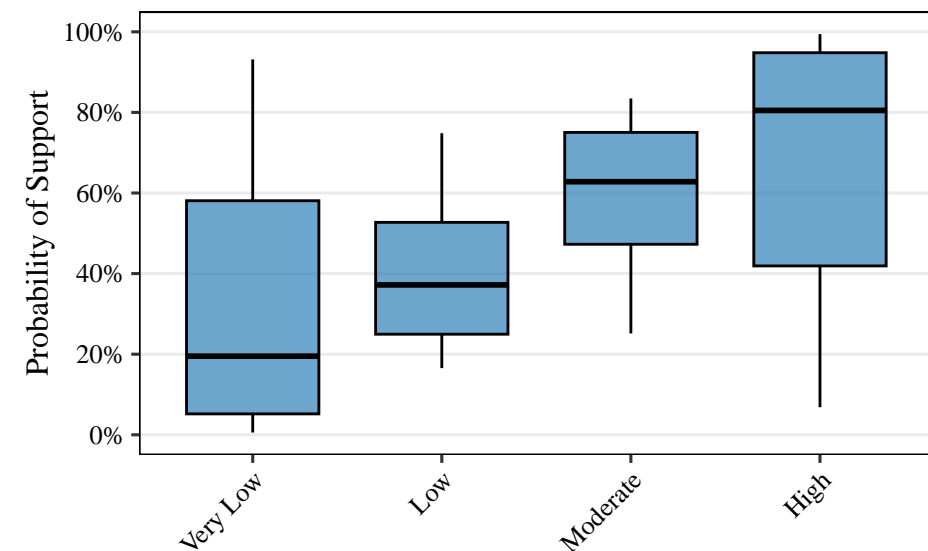

**Figure 6 : Predictors of Militia Support**

**A**

**Male Chauvinism**

Effect on Militia Support Probability

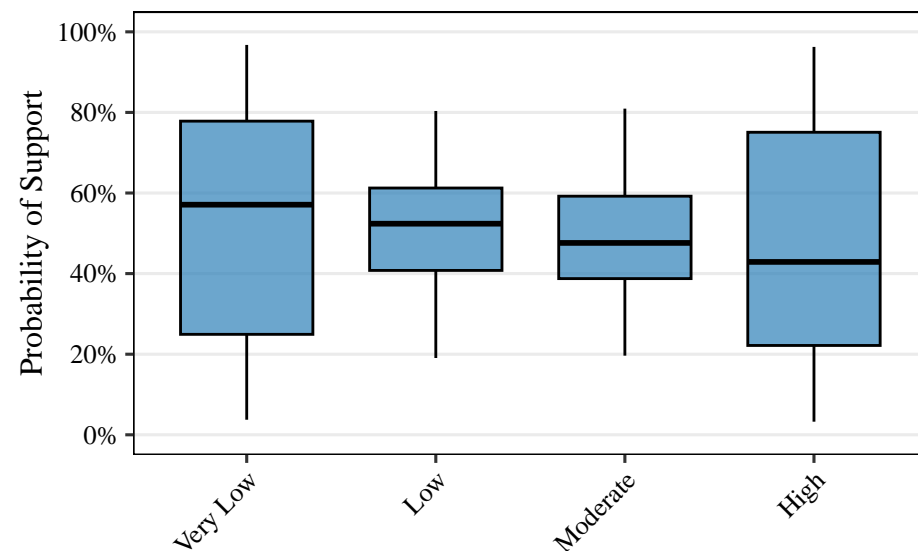

Note: Boxes show 50% credible intervals; whiskers show 95% credible intervals.

**B**

**Christian School Support**

Effect on Militia Support Probability

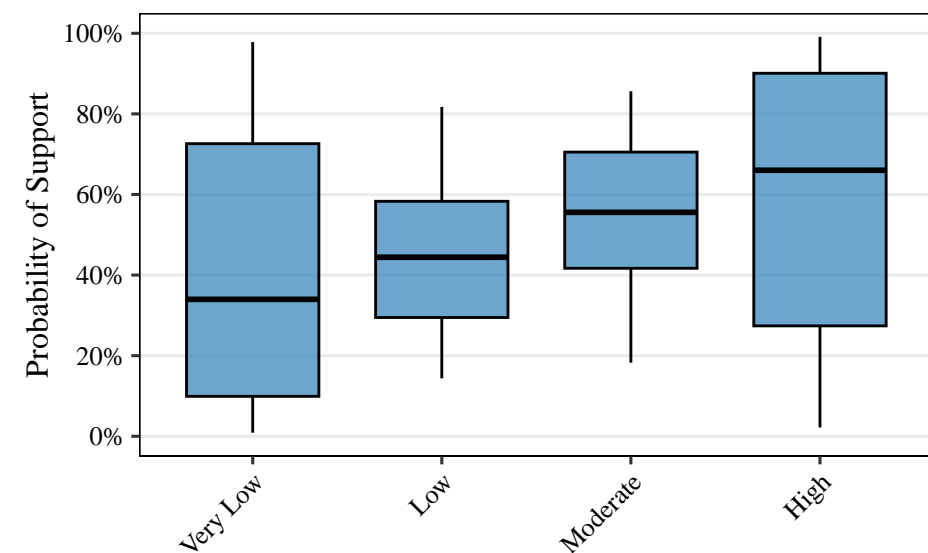

Note: Boxes show 50% credible intervals; whiskers show 95% credible intervals.

**C**

**Traditional Values Demonstration**

Effect on Militia Support Probability

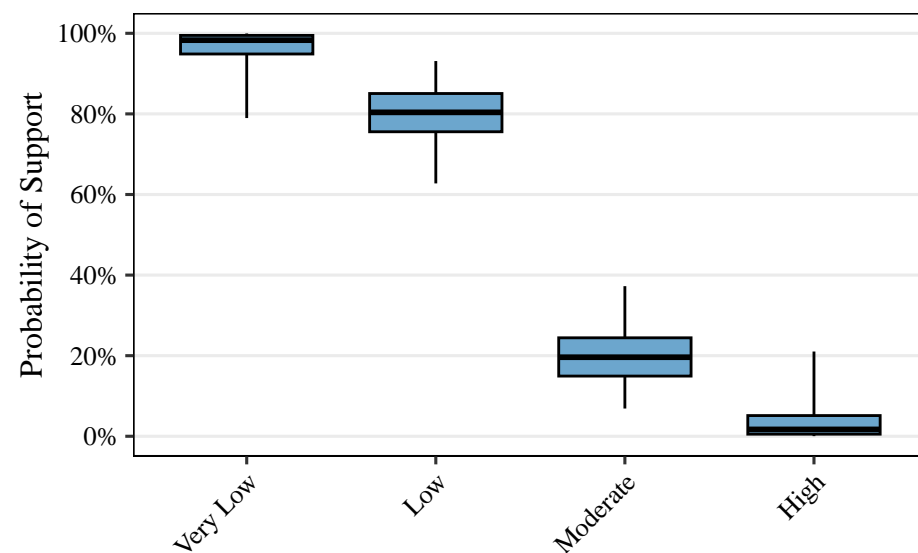

Note: Boxes show 50% credible intervals; whiskers show 95% credible intervals.

**D**

**Religious Devotion**

Effect on Militia Support Probability

Note: Boxes show 50% credible intervals; whiskers show 95% credible intervals.

*Note: Estimates show predicted probability of militia support across levels of each variable.*
